AUDITORIUM.

The idea that because the price of admission is small the show is small admission is small the show is small, was never more thoroughly exploited than at the Auditorium theatre yesterday, where the put on The feature set entitled "Behind the Scenes" is full of pretty girls and two good comedians. This is a big time set and every one of the len people are clever entertainers. However, Tebind the Scenes" was not the whole show even though it was a the whole show, even though it was a mar act. All liajsh and Company, two minds with but a single thought, made s big hit. The work of these talented people is nothing short of wonderful people is nothing short of wonderful.

Ask Bajah any question and she will answer. Cheere, accordionist, tickled the cars of the audience, with his elever playing of everything from grand opera to ragine. The fourth act was cancelled after the matinee performance, as it is Manager Conneller's transion to play nothing but the he intention to play nothing but the best, this art falling to meet his ap-proval, another act was camged and will appear today and temorrow.

The feature picture programme as tal was of the very best, Houdini "The Master Mystert" is certainly proving to be a great serial.

An extremely interesting and thrillIng picture came to the auditorium
theatre yesterday, with Tom Mix as
the star. The play, Mr. Tegun, U. S.

The story tells of a young man who born in the wildest part of the woods, suffers from the roving spirit. After years of wandering he returns home to find his father dead and an effort being made to cheat him of his in-heritance. The conspirators try incl-dentally to murder him, but he es-tance and falls into the lands of a joint woman who nurses him back

Catarrhal Deafness and Head Noises

Tells Safe and Simple Way to Treat and Relieve At Home

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if philesm drops in your throat and has caused catarrh of the stomach or howels you will be giad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmint (Double Strength) Take this home and add to it 1-4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head nowes, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be In the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by the efficacious treatment. It is said that nearly ninety per cent. of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.
